Hike - Minyon Grass to Bottom of Minyon Falls

A 3Km, with around 150m descent/ascent

- Start at the end of Minyon Grass Road (3893 3412).
- After about 1.5Km there is a major junction (3827 3477) marked by posts and small red triangles. Take the right hand fork towards the base of Minyon Falls (the left hand fork crosses the creek and eventually climbs up the western flank of the valley).
- Some tricky scrambling, and route finding, is marked by red triangles. It's easy to take the wrong path, so keep a sharp look out for the next red triangle.
- Finally arrive at the base of Minyon Falls (3817 3482).
- Having enjoyed the view, back track to the major junction (3827 3477)
- Follow the obvious track South East up the eastern flank of the valley.
- Head down the track to the bottom of Minyon Falls (3826 3476).
- Return to Minyon Grass via same track.
